Merl Howard Dies as Car Leaves Road; Crash Injures 2 at Crossing

A Granite City man was killed and his son was hurt in a one-car crash occurring Saturday night, and in seven of 21 other mishaps in and near the Quad-Cities, 21 persons were injured, including two in a crash which occurred at a quarter-mile south of Maryville road crossing, involving a train and two autos.

Eight persons were hurt in a two-car collision yesterday evening on Route 137, and there were two injuries each in five other mishaps.

GC Man Killed
Merl Howard, 43, of 3220 Central avenue, was killed at 8:35 p.m. Saturday when thrown out of his auto as it overturned off Route 66 a quarter-mile south of Pin Oak road, about three miles northeast of Edwardsville.

He suffered a neck fracture and internal injuries and was pronounced dead at the scene by Deputy Coroner Robert Dardman of Hannibal.

State police listed the speed of the southbound car at about 100 miles an hour. The 1966 two-door hardtop auto left the pavement on the right side, at a slight curve to the left, and traveled 500 feet along a sloping embankment before striking a three-foot tall fill for a side road.

At this point, the vehicle was thrown into the air and traveled another 150 feet, rolling and landing on its top, with Mr. Howard apparently then thrown through the left window. The car bounced and stopped upright; he was found 45 feet farther south. His seatbelt had not been attached.

Witnesses said that while the auto was in the air after hitting the road fill, it reached a height of 30 feet.

Son Survives Crash
Miraculously escaping serious injury was his son, Donald, 13, who was in the right front seat, with a seatbelt attached. He had slouched down in the seat, and his weight was insufficient to break the belt despite the momentum and the severe impact.

Brought to his home here by Trooper Ivan Vesper of Alton, the boy was taken to St. Elizabeth Hospital for observation of possible back and hip injuries. He is in good condition there today.

The two had attended a picnic held at the Firemen's Park, Mount Olive, 11 miles from here, at the time of the crash. Mr. Howard was attempting to catch

Burglars Strike At 12 Area Homes; Dunbar Again Hit

Burglars broke into 12 homes in the Quad-City area, ransacking and looting many of them, as a total of 23 burglaries and thefts were reported to city and county police during the weekend.

Dunbar South in West Madison was again a new addition being constructed again was the scene of a theft as copper tubing and fittings were stolen.

G. A. Gent of the Gent Construction Co., Edwardsville, contractor for plumbing work in the new Dunbar school addition in North Venice, reported to Venice police Thursday afternoon that thieves took out a large section of copper tubing that had been installed in part of the building and hauled it away.

In addition, Gent reported, the thieves took about 50 copper fittings. The tubing and fittings were valued at \$225, Gent reported. No estimate of the damage was listed.

Burglars took a variety of loot from the home of Dean Little, Highway 162, it was reported to the county sheriff's office at 2 a.m. Saturday. The front door was opened.

Taken were a 21-inch television set, a German luger, a box of shells, a loaded cylinder, a table model radio, a fan, \$80 in bills and coins, five suits, assorted shirts, sweater and a case of antiseptic. Beer was taken from the refrigerator and was drunk.

GC Home Looted
Harry King, 3736 Fair Oaks drive, told Granite City police yesterday evening that his home had been looted while he and his family were on vacation last week. The new general building for \$26,610 for the administrative department, compared to \$30,269 last year. This reflects an apparent decrease, but the new budget does not include a \$3964 item for social security and

Gov. Kerner to Attend

Statewide Junior Jamboree Opens Here This Week

Local residents may find it hard to recognize the area this weekend when the Jaycees representatives and the Illinois Youth Commission sponsor the 11th annual Illinois Junior Sports Jamboree for 574 youthful participants.

This three-day event Thursday through Saturday, Aug. 4-6, will have on hand to congratulate its winners Gov. Otto Kerner, Illinois Youth Commission chairman John A. Troike, and the state chairman of the Jaycees, Wayne Kern of Macomb.

The campuses of Granite City high school and Coolidge junior high will be transformed into a "miniature Olympic village," as the junior high gymnasium is converted into a mass dormitory for 302 boys and their chaperones, while the girls' gym at the high school becomes a dorm for 272 girls.

Actually, the local Jaycees were prepared to house as many as 700 contestants at the meet. However, the maximum attendance was considerably reduced by the number of double and triple winners.

Gov. Kerner Comments
Gov. Kerner, commenting on the contest, "This tremendous program could not have been possible without the support and assistance of hundreds of men and women who have unselfishly devoted their time to making the contestants' conducting, meeting, and chaperoning or handling the intricate arrangements of this colorful and inspiring state jamboree."

With gubernatorial backing such as this, athletes and officials have been preparing painstakingly for the first activity-full day, beginning Thursday afternoon.

At this time, Thursday, chaperone buses from all parts of the state will begin rolling up to the event.

Assisting these hosts in their late-afternoon and early-evening job will be Lois Jeanne Strobel, Miss Granite City for 1966, and her court, Jeanne Strobel and Lynn Ann Boswell.

Get-Acquainted Fete
Featured from 7 to 10 p.m. will be a general get-acquainted period for the 574 participants who will be entertained with a "Pepsi-party" and outdoor dance. "The Invaders" are taking a special night off from a regular engagement to perform for this special engagement.

Souvenir copies of Thursday's Press-Record will be given to the contestants.

Breakfast, served by the Petr Catering service, begins bright and early on both Friday and Saturday mornings at 7:30 a.m. at the junior high school cafeteria. Lunch each day at noon and a 6 p.m. Friday supper should supplement the young athletes' "training" diets.

One of the big jobs to be had during the jamboree will be setting up over 900 cots for the youths and their adult escorts, one for each six contestants. These beds, arriving today, are being furnished by Scott Air Force Base, the Illinois National Guard and several other local organizations. Sheets are being supplied by the City of Granite City.

Parade of Granite
Starting at 8 a.m. Friday will be a "kick-off" parade opening the many events for the weekend. Including over 1000 persons from throughout the state, this procession will be led by the

Rink Bonds Boost Park Budget to \$352,000

Net Climb of \$26,000 In Portion for Parks, Recreation in 1966-67

The Granite City park board, confronted with increased operating costs and new statutory fund requirements, Thursday night approved a new 1966-67 operating budget of \$352,000.

The budget is \$134,500 higher than last year's 1965-66 budget totaling \$217,500.

But a large portion of the increase is due to \$85,696 being included to meet payments during the fiscal year on principal and interest of bonds sold to finance construction of an ice skating rink and recreation center.

Also scheduled for the first time this year is a two additional items—contributions to the Illinois municipal retirement fund in the amount of \$7500 and payment of the insurance in the sum of \$2000—also are in the budget for the first time this year.

The bond payments and the additional items increase to \$108,361 the total of new items included in the budget. With this amount subtracted from the new \$352,489 appropriation, the net increase for general park purposes (up \$26,002) and recreational expenditures (down \$3394) is \$26,008.

General Funds Costs
Budgeted expenditures out of the general corporate fund for the new year amount to \$207,333, up \$42,367 from last year's \$165,366. This increase includes rink operation.

For recreational purposes, the new appropriation provides \$49,160, a drop of \$3394 from last year's \$52,554.

The new general building last year for \$26,610 for the administrative department, compared to \$30,269 last year. This reflects an apparent decrease, but the new budget does not include a \$3964 item for social security and

IRONWORKERS on the job today erecting steel roof joists for the new 20,000 square foot National Foods store at Nameoki road and Madison avenue. A three-year contract granting pay increases totaling \$1.05 was approved by the Ironworkers union membership last night, five hours before the contract expiration.

Ironworkers Ok \$1.05 Hourly Hike In 3-Year Contract

A meeting of Ironworkers Local 292 just five hours before the midnight Sunday strike deadline resulted in a 237-to-20 vote for acceptance of a three-year contract granting wage increases totaling \$1.05 per hour.

Representatives of the Ironworkers and Southern Illinois Building Association met in sessions every day last week except Saturday, including a negotiations meeting yesterday at Belleville. SIBA had been offering a total 60-cent increase over a three-year period, the same figure given other unions in its jurisdiction.

Ironworkers held fast to their \$1.05 demands, and agreements had been reached Friday and Saturday for the members to continue work on two major projects pending a settlement.

The agreements had been reached with officials on the Granite City Steel Co. multi-million dollar expansion and modernization program and the Poplar street bridge over the Mississippi River.

Terms of the new contract call for the estimated 1000 Ironworkers in the area to receive a 20-cent hourly increase today, another 15 cents in six months and 35-cent pay boosts in each of the two other years.

Before the new contract, the Ironworkers hourly rate was \$4.85. At the end of the three years it will be \$6 an hour. Yesterday's acceptance meeting was held at 7 p.m. at the Ironworkers' Hall in East St. Louis.

A. O. Smith Begins 1967 Production

Production of frames for the 1967 Chevrolet was started today at the A. O. Smith Corp. plant with recall of about 1200 production workers.

The frames are being turned out on two production lines operated on two shifts. The annual changeover for new model cars was started in June at the local plant.

A spokesman said today the return to production was functioning smoothly.

May Meet Wednesday
The board plans to meet as soon as necessary to discuss the project along. Tentative date for the next meeting is Wednesday.

In other matters, commissioners approved a trip to Chicago for Robertson. He will attend a conference on the federal government's role in parks.

Efforts continue in exploring the possibility of federal aid to help Granite City parks. New regulations under the Neighborhood Facilities Program have given rise to hopes that producing substantial interest-free tax revenue during periods preceding its use.

Request to Council Tonight For Air Pollution Expert

Granite City council members will be requested tonight to decide upon hiring an acting technical secretary for the Air Pollution Control Commission.

The city has budgeted \$25,000 for the commission's work this year. The commission is recommending Prof. Erwin C. Hoelscher of Washington University for the acting technical secretary post.

Thomas Baker, chairman of the commission, has pointed out it will be difficult to secure the services of a fulltime secretary, because the field presently is limited.

Great Demand For Experts
There's a great demand for this type of professional, and we're hoping the council will concur in our decision for an acting technical secretary until such time as we can find one to serve the city fulltime," Baker said.

Little or no opposition is expected from the council, since the aldermen decided themselves

Rink Contract Delay Hinges On Final Decision on Amount

Granite City park commission members were told of a new hitch in building an ice rink and recreation center Thursday night.

The problem exists between the project builder, Ross Construction Co., and subcontractors, but the package of alternate features includes variations in the finish of materials and in the types of materials to be used in the structure.

With the exception of this four-part package, the commission's review and approval of each alternate feature involved in the latest round of bidding, which resulted in the contract going to Ross.

Water Line in Way
Park Attorney Randall Robertson reiterated findings concerning an existing water line under the project site.

"We have found no evidence that 20th street was ever dedicated or platted through to Fehling road," he told the commissioners, "so the burden of proving its right to be there falls to the water company," he concluded.

The board is confident of the water company's cooperation and is now drafting a formal statement asking the utility to relocate the line so construction can commence.

Madison To Drop Bridge Tolls

City Council to Meet Tonight to Take Action Following Agreement

Action on proposed suspension of tolls on the Chain of Rocks bridge is to be taken by the Madison city council at a special meeting at 8 p.m. today.

The decision to remove the tolls, at least temporarily, was reached at a meeting of Madison officials with Gov. Warren E. Hearnes at Jefferson City, Mo., on Friday.

Attending were Mayor Stephen Maers, John Gilchrist, city corporation counsel, in addition to Hearnes and Robert L. Hyder, chief counsel of the Missouri highway commission.

Mayor Maers promised the governor that he would ask the council to suspend collection of tolls until a Corps of Engineers survey is completed.

The survey, to be completed in about six months, is being made to determine whether tolls should be collected and how much.

Apply Pressure
Gov. Hearnes and Hyder have been applying pressure against the city to remove or lower the tolls and obtained an injunction in St. Louis circuit court last week to prevent the city from making collections.

A former St. Louis city councilman, James E. Crow, was appointed by the court as a receiver to handle the funds until a hearing on the case which is scheduled for Aug. 16.

Gov. Hearnes said the state would seek a revision of the court order.

Keep Traffic Reduced
The city will maintain a bridge staff to keep a record of all traffic, the mayor said. "This bridge is important to the federal government as well as to us and to the states," he said. The city also is to maintain the property, and there will be at least two men on every shift.

With bridge traffic averaging 12,000 vehicles a day, the mayor said, "This is the biggest year we have ever had. But we're not going to let anything about us, we know it was coming. If the Corps of Engineers wants to keep the bridge open, some type of toll will be required."

"He added that Missouri officials feel strongly that, all things considered, the river should be free, but there was no mention of the St. Louis-owned MacArthur bridge during the Friday meeting.

Raise Relief Funds
That bridge was constructed between 1906 and 1917 as a free bridge, but St. Louis started collecting tolls in 1932 to raise revenue for the purpose of the bridge.

During the weekend Hyder pointed specifically to the MacArthur bridge and noted a federal law providing for freeing toll bridges within 25 years.

Those are not in a good position well on our neighbor if our skirts are not clean," he said, but he noted that the Chain of Rocks bridge carries interstate routes while the MacArthur bridge does not.

A loan for more than \$1 million a year for its operations, charging tolls of 15 cents for autos. Madison has been collecting tolls of 25-cent toll for autos and varying amounts for trucks, using some of the income for bridge repair purposes. The city had a bridge surplus of around \$2½ million.

SIU Board to Take Up Budget Here Wednesday

Southern Illinois University's internal budget for 1966-67 will be considered when the board of trustees meets at 1:30 p.m. Wednesday on the Northwestern campus.

Other matters to be presented by President Delya W. Morris will include changes in faculty and administrative personnel and the question of providing utilities for the Forest Service greenhouses on the Carbondale campus, where cooperative research projects will be carried on by the Forest Service and the SIU School of Agriculture.

Court Orders Division Of Undertaking Rights

A division of property dealing with the Sedlack Funeral Home in Madison and Granite City was ordered by Associate Circuit Judge Michael Kinney Thursday in circuit court at Edwardsville.

The lengthy order stems from a divorce decree signed March 16, 1965, and was issued because of failure between the parties to reach an amicable property agreement.

According to the terms of the order, Mrs. Sedlack is the sole and exclusive owner of 100% interest in all of the land and buildings that the Sedlacks held in the undertaking business.

Sedlack was given 100% interest in the business and personal property rights, excluding the personal property now held by his wife, Mrs. Sedlack, which he is to continue to make mortgage payments on outstanding indebtedness.

In the case of the death of either party, the other will have first right to purchase the property of the other on 60-day option. In the event of serious illness on the part of the husband, the wife was ordered to operate the business interest in the funeral home.

The court order also granted custody of one minor child to the mother, and the father is to provide support and school tuition, room and board for the child in a private St. Louis academy.

C of C Horseshoe Lake Committee Has Meet

The Horseshoe Lake committee of the Chamber of Commerce discussed the potentiality of federal and state funds for development of the Horseshoe Lake area in a luncheon meeting at the Rose Bowl Friday afternoon.

Ferd Goewert, executive secretary of the Chamber, said the session was an informational one in which no definite action was taken, since there are no available funds at the present time. A number of federal and state programs are in the formative stage, but none that would permit immediate financial help, he said. The committee is engaged in studying different federal programs under which monies might be made available for such items as the Horseshoe Lake development.

Sales Illegal Along State Roads in Cities

Use of state highway right-of-way for the sale of cut flowers, ice cream, bars, vegetables, melons and other items is unlawful because it interferes with effective movement of traffic, District Eight of the Illinois Division of Highways noted today. It is requesting that local authorities take appropriate action toward compliance with the law. Most of the right-of-way usage offenses occur within city limits and state police normally do not operate within these areas, District Engineer Robert E. Kronst said.

New Building in GC Set a \$441,275 in July, Up \$149,808

Forty-four building permits were issued in Granite City during July, listing values totaling \$441,275.

The values exceed that of July 1965, when total value on 68 building permits was set at \$291,467, but the activity showed a drop from June when 38 permits listed values of \$355,269.

Major activity during the month was a second permit on the Nixie Co. plant expansion at \$237,000, three duplex houses at \$54,000, foundation and refrigeration at the Tri-City Grocery Co. warehouse at \$41,840, a new drive-in restaurant at \$48,000, a new automobile tire store at \$36,000.

During the month the city issued four permits for new homes at \$38,000, four for additions to homes, \$7250; four for garages and carports, \$3800; 15 for remodeling and repairs, \$10,450; six for commercial and industrial purposes, \$333,025; and 11 for miscellaneous purposes, \$7570.

Permits issued during the last week of July were obtained by: Walter C. Whittaker, 2209 Delmar, erect a three-room and bath garage apartment, \$4000; Alvin Bowen, 2429 Benton street, install siding, \$600; Bert Beck, 2412 Delta avenue, convert garage into room, \$600; Virgil Crider, 2830 Palmer avenue, install porch and siding, \$800; and Ritchie Agency, remodel front of tavern at 2509 Nameoki road, \$385.

Oscar Wetherholt, 82, Passes Away Yesterday

Oscar V. Wetherholt, 82, of 2363 Benton street, who fell and suffered a hip fracture three months ago, died at 4:20 a.m. Sunday at St. Elizabeth Hospital. He had been a patient there six days.

Mr. Wetherholt retired 18 years ago as a sheetmetal worker at Granite City Steel Co., where he worked 26 years. For the next 16 years he was custodian of Central Christian Church, retiring two years ago.

A member of Central Christian Church, Mr. Wetherholt had been a Granite Cityan 50 years. He was born in Wheeler, Ill. He is survived by his wife, Grace, a son, Charles V. Wetherholt, Granite City; a daughter, Mrs. Lora Haley, Indianapolis; and two brothers, John Wetherholt, Decatur; one sister, Mrs. Mayme Kester, Decatur; 10 grandchildren and 17 great-grandchildren. Funeral arrangements are given in the obituary column.

Top Hospital Official Of State Visiting Here

David Kinzer of Chicago, executive director of the Illinois Hospital Association, is making his first visit to the Quad-Cities today to speak at St. Elizabeth Hospital.

Kinzer was a special luncheon guest and then spoke before members of the hospital's Joint Governing Board and Lay Advisory Board, on the program for hospital association in modernization and expansion of the hospital's facilities.

The meeting was held in the hospital library.

Jaycees Tackling Tremendous Task with State Junior Sports Jamboree

One more step was added this week to an already "tail lader," the 11th Annual Illinois Junior Sports Jamboree.

This three-day spectacular, Thursday through Saturday, will not only host 274 athletes, their chaperones and numerous Jaycee and Illinois Youth Commission officials, but will feature an uncountable number of "jobs done" which most everybody takes for granted.

The Granite City Jaycees are responsible to see that even the smallest details are taken care of before the arrival of all those who will take part in the meet. Headed by the local Jaycee president, Boyd Prestley, and his co-chairman for the state, Herb Siebert, these erstwhile men and women have a program of events to follow which covers

every possible need or essential item from pre-meet medical examinations to the last send-off of the youngsters on a GMCO train late Saturday afternoon.

Governor Reception
Possibly the most glamorous job is preparing for Gov. Otto Kerner's reception at 11 a.m. Saturday morning. Sally Herbst, half of one of the many husband and wife teams, is in charge of this social affair.

Plans are being made for the governor and other state and local dignitaries to meet with jamboree officials in an informal atmosphere at the Granite City high school.

This affair, only two hours before the awards are given to the finalists, will have refreshments for Gov. Kerner, John A. Troike,

chairman of the Illinois Youth Commission, Granite City Mayor and Donald Partney, Illinois State Jaycee president Wayne Kern and Russell D. Johnson, superintendent of Granite City schools.

Betty Lake, chairman of the women's committee, said late committees, mentioned first in last week that red, white and blue banners will be placed advantageously at 20 points throughout the city. This is Eaton, manpower; Earl Warrschel, for Wednesday, one hof, kit preparation; Bob Schofield, before all activities begin.

James Burton, hospitality; Ray Darrell Crews are coordinating Lake, award ceremony; Donald Kopp, master of ceremonies; for the 16 buses carrying the contestants in the jamboree program; Victor Wetherholt, entertainment; Dr. Lawrence Tadlock, chaplains and medical; Dr. E. from Springfield, Oliver Swalm, state co-ordinator of the jamboree; and Muriel Runyon, information representative.

While the above plans are set, many more projects have yet to be carried out. Therefore, in or Krause, concessions. Betty Lake, women's committee.

R. J. Huff Honored On Retirement

A dinner party honoring Raymond J. Huff, an employee in the electrical department of the Granite City Steel Co., for 48 years, who retired in July, was given Thursday evening at the Rose Bowl by fellow workers.

Thomas Harmon acted as master of ceremonies and a gift from the group was presented to the retiree. Approximately 30 persons were present.

Summer Engagements, Weddings, Social Events in the Quad-Cities

MISS PAMELA SUE AHRING, fiancée of Stephen Dennis Line, a son of Mr. and Mrs. Stephen W. Line, 2101 Woodlawn avenue. The engagement of the couple is announced by the bride-elect's parents, Mr. and Mrs. Charles Ahring, 2229 Cleveland blvd.

Engagement Is Announced

Mr. and Mrs. Charles Ahring, 2229 Cleveland blvd., have just announced the engagement of their daughter, Miss Pamela Sue Ahring, to Stephen Dennis Line, a son of Mr. and Mrs. Stephen W. Line, 2101 Woodlawn avenue.

Miss Ahring was graduated last June from the Granite City high school and is employed in St. Louis. Her fiancé, a 1963 high school graduate, is an employee of Granite City Steel Co. Wedding plans have not been made.

Laney Nuptials In December

Miss Terry Rae Laney, a daughter of Mr. and Mrs. H. E. Laney, 1633 Ferguson avenue, is another of the brides-to-be whose engagements are being announced. She will become the bride of Samuel Dymas, a son of Mr. and Mrs. Joseph Sobolewski, 805 Greenwood street, Madison, on Dec. 17.

A 1965 graduate of the Granite City high school, Miss Laney is now employed in St. Louis. Her father is general foreman at Laclede Steel Co., Madison. Mr. Dymas attended Illinois State University in Normal for two years after graduating from the Madison high school in 1963. He is currently employed by the state highway department.

MISS TERRY RAE LANEY. She will be married to Samuel Dymas, a son of Mr. and Mrs. Joseph Sobolewski, 805 Greenwood street, Madison. The betrothal of the couple is announced by the parents of the bride-elect, Mr. and Mrs. H. E. Laney, 1633 Ferguson avenue.

June '51 Class Plans Reunion

Final plans are being made by the June 1961 class of the Granite City high school for a five-year reunion to be held Saturday, Sept. 10, at a Belleville restaurant.

Many of the members have not been contacted and anyone with knowledge of their present addresses may contact the committee members, or call TR 7-9455. Members of the committee arranging the dinner meeting are Gloria Ziegler, Gloria Bienenbeck, Kathy Moore, Rosemarie Lestio, Martha Dombroski, Mary Spillars, Sharon File, Pat Schuman and David Rousseau.

Floral and Greenery Setting For Waid-Lynn Wedding

White gladioli, daisies and greenery decorated Niedringhaus Memorial Methodist Church for the candlelight wedding Saturday evening of Miss Lynda Rae Lynn and William Kenneth Waid Jr., both of Inglewood, Calif.

The bride is a daughter of Mr. and Mrs. Harold C. Lynn, 2100 Monroe street. Mr. Waid's parents are Mrs. William K. Waid sr., and the late Mr. Waid, of Inglewood.

Rev. R. Paul Sims officiated at the 8 o'clock ceremony, and the bride's parents gave a reception afterward in Wesley Hall of the church.

Mrs. Russell K. West presided at the organ and accompanied her son, David, as he sang "I Love You Truly" and "Because" before the ceremony, and the Lord's Prayer at its close. The candles were lighted by Philip McGovern and Dennis Watkins.

Moran-Yobby Engagement

Mr. and Mrs. Joseph Yobby, 2024 Iowa street, are announcing the betrothal of their daughter, Miss Rosemarie Yobby, to Pvt. James M. Moran, whose parents are Mr. and Mrs. James Moran, 2432 Sheridan avenue.

The bride-to-be was graduated from St. Theresa's Academy in East St. Louis and is presently employed in the St. Louis offices of Southwestern Bell Telephone Co. Her fiancé was graduated from the Granite City high school and entered the Army in May. He is stationed at Fort Carson, Colo. Wedding plans have not been made.

Lux-Townsend Nuptials

First United Presbyterian Church in Madison was the scene of the wedding Saturday evening of Mrs. Irene Townsend, 809 Madison avenue, and Richard Lux. The bride is a daughter of Mr. and Mrs. Herman Odell, 1417 Fourth street. Mr. Lux' parents are Mr. and Mrs. Percy Lux, 1637 Third street, Madison.

The ceremony was performed at 7:30 o'clock by the Rev. J. D. White of Collinsville and a reception was held at the church afterward.

The bride wore a dress of white lace over yellow tulle, a headpiece of yellow veiling and a corsage of white pom poms.

She was attended by her sister, Mrs. Delores Keller in a dress of white lace over blue and a corsage of white carnations tinted blue. Larry Lux, the bridegroom's brother, was best man; and little Debbie Townsend, a daughter of the bride, served as flower girl. She wore a pink and white dress and carried pink carnations.

After a honeymoon in the Ozarks the couple will live at 809 Madison avenue. The bridegroom is assistant postmaster in Madison. Mrs. Lux is employed as a hardware clerk.

Miss Margulen Is Honoree

Miss Sue Pendicaris, Mrs. Mary Bridick, Mrs. Helen Valencia and Mrs. Ann Mega entertained guests at a bridal shower Sunday afternoon honoring their niece, Miss Brenda Margulen, a daughter of Mrs. Ann Margulen, who is to be married to James Canale.

The shower was held at the VFW hall with approximately 100 guests attending. Orchid and blue ruffled nut cups trimmed with tiny blue roses and orchid ribbon adorned the tables, and the gift table held a large arrangement patterned after the nut cups. Games provided entertainment and refreshments were served.

The wedding of Miss Margulen and Mr. Canale will take place Sept. 3 at Sacred Heart Catholic Church.

Mitchell Games Require 7 Hours Mercer Splits; Mitchell Drops Pair; Hearts Win

Area Inter-City League teams wound up with three quite different outcomes yesterday. Mercer split a Wilson Park twin-bill with Maryville; Mitchell A.C. dropped a pair to visiting Pocatohas; and Hearts-Liberty Home won a single game at East St. Louis Polish-American.

In other league activity, East Alton Beat St. Louis Harper 5-4 and Collinsville whipped Troy 10-0.

In the Wilson Park opener, Bruce Thompson struck out 11 and walked only four but Maryville had two big innings.

After Rich Branding's second-inning homer, Maryville scored two in the fourth and two in the fifth. The visitors added runs in the seventh and ninth to win 6-1.

In winning the nightcap 5-0, Mercer still had silent bats until the seventh, when it trailed 3-0. Branding walked, Terry French doubled for one run and Charlie Johannmeier's safety brought a two-run three-base error.

Big Mercer Night

The Red Sox scored two in the seventh to lead 5-3 but Mercer began a five-run ninth inning when Branding tripled and scored on a bad relay.

French walked, Johannmeier bunted safely and Harold Tankley hit a bunt single to lead the sacks. Maryville's catcher tipped Ron Davis' bat, and the tying run scored on a double steal.

Wayne Gavillet singled in two runs and Harlan Scheibel gained first on a muffed fielder's choice. Gavillet scored on a double steal.

A Long Afternoon

The doubleheader at Mitchell began at 1 p.m. and ended seven hours and twenty minutes later when Pocatohas scored two in the half of the tenth.

In the 12-8 first-game victory, Pocatohas piled up two big innings—a five-run fifth and a four-run sixth.

Trailing 11-5, Mitchell came back with three in the ninth. Rich Lee, who had earlier singled and tripled, hit another three-bagger with two aboard and then scored on Dave Sparks' outfield fly.

Other standouts in the Mitchell attack were Jim Frazier, who singled during his four and two-thirds innings of mound duty. Keith King and newcomer Marvin Rezabek each had a single.

16-Inning Nightcap

Mitchell opened a 3-3 game with a five-run fourth in the second game. Two walks and successive hits by Lee, Fanning, Frazier and Larry Corey did the trick.

The teams traded sixth-inning runs, and Pocatohas scored twice in the seventh.

Mitchell scored again in the ninth. Then, trailing 10-6, the "home-team" visitors, Pocatohas (Doc Coleman-Juvenile) Elts Bloodworth Realty at Coolidge

Drive-In Will Face Misfits To Decide Title

A playoff between Drive-In Laundry and the Misfits has been forced in Wilson Park girls' softball league. The game will be played at 6:15 p.m. Monday at the Coolidge diamond. Both teams have 62 records.

Drive-In Laundry dropped to 62-62 perch with a forfeit to the Maddox Motor Plaza Piazza Scoob-Dans Friday night. The Scoob-Dans are 4-4.

Another Friday night game forced four innings before rain forced its postponement. This involved Seabold Concrete, now 1-4, and Tommy's Gas House Gang, 2-5.

Scoring three runs in the bottom of the seventh to tie the Misfits, Burger Chef went on in the eighth to win 12-11 in Girls' League action at Wilson Park Thursday night.

Cookie Stude singled, Jo Swan walked, an error followed and hurler Betty McGee sacrificed to drive in the winning run. The win made Burger Chef's record 4-4. The losers are 6-2.

Credit Union Wins By Shutout in Venice

Apparently sensing the finality of the ten-run rule, the Venice Mets' manager and pitcher left the field in the top of the fifth yesterday at Lee Park. Granite City Steel Credit Union, leading 10-0 at the time, won the Senior Khoury game.

In another Senior Khoury game, at Belleville, the host Moose team won 2-1 over East St. Louis VFW.

Church of God Wins

Church of God defeated Pontoon Church of Christ Thursday night 12-9 behind the powerful hitting of Bob Dissenhoest and Bob Deardark. During the Quad-City Church League game, Dissenhoest slammed a triple and two homers, while Deardark went four for four at the plate with two singles and two doubles.

Wins Airplane Division

Warren MacZura, 3208 Aubrey avenue, won first place yesterday in the scale division of the 35th annual National Model Airplane championships at the Glenview Naval Air Station near Chicago. MacZura, 41, operated a 1-1/2" scale model of a converted F8F Bearcat.

St. Louis' Bob Wente Wins 110 Midget Race

St. Louis' Bobby Wente won a left rear hub on the fourth turn and flipped over onto two cars.

One of the cars Ellis crashed into was driven by his brother, Jess Pruett. The other car was driven by Harvey Nicholes, St. Louis. Neither was injured.

Ellis, taken first to St. Elizabeth's, was transferred to Jewish Hospital, St. Louis, in serious condition.

Bill Meyer, Wood River, won the fastest qualifying and the feature in super modifieds Saturday night. Behind Meyer, Jim Moughan and Chuck Lynch, both of Burlington, and Argentina, Ill., driver Jerry Camfield.

Sonny Burton, St. Charles, won the "Double O" feature in hobby cars. Behind the winner were Gary Greer, St. Louis, and Bobby Stanton and Bill Beaver, both of Alton.

World Peace-Beyond Our Reach?

This is one of the "golden domes" editorials reaching the final of Golden Quill Award finals of the International Conference of Weekly Newspaper Editors. Written by Quincy J. McManis, Chronicle-Citizen, and entitled "Peace in the World Too Far Beyond Our Reach," this editorial captured the top award.

There is a queer paradox to our times. A State Department official keeps plugging away at his job and hopes — and hopes. At the same time many have known in their lifetime has been the Cold War version of peace. But real peace would not be like the nervous Cold War stand-off which we have become used to. Real peace, like truth or goodness, is intangible. It is not.

What the Communists want is not peace, as we conceive it. They would like a suspension of hostilities, truce as a time for regrouping. Peace to them would be like hymn-singing in an evangelist's tent, a period of softening up for the hard sell to come.

Peace to us would be a time for planning; a day to make life in a new world; a blessed respite in a time of bombast and conflict, of dire warnings and last-chance diplomacy. Our version of peace — undoubtedly the better of the two. But is not a mere cessation of fighting one step along the way long road? If we silence the guns, have we not accomplished one important step?

How to win the peace? Ironically, the first answer is that we must fight harder and with greater determination and make the signing of a truce desirable to our enemies. Does this include changing our methods, going "further north" or using a wider range of weapons? We must win peace by our own hands.

We must work with every ability at our command to get the enemy to the conference table. We must find, between our version of peace and that of the Communists, a common ground at least bridging the world to rest.

But when the shooting stops, our job will only have begun. Peace then will have to be found a way to rid the world of its nuclear noxiousness.

Driven by our knowledge of Nagasaki and Hiroshima and the fact that we are not alone in possessing nuclear weapons, we must seek to outlaw their proliferation.

Perhaps a good starting point for world agreement on disarmament would be President Kennedy's nuclear test ban treaty. Finally, when peace—however shaky—is achieved, we must work to maintain it.

We must wage "war" on an economic plane. We must awaken to the fact that there are other people in the world, people who are not our enemies, at least be the cause of war unless we are aware of their needs and hopes.

Peace, as a term is invoked, is a contradiction in terms. Peace "here" is a grand delusion. Peace is a cruel dream. Neville Chamberlain's "peace in our time" was false fantasy, since peace must be for all men everywhere and be intended for all time.

Before the war III comes raining on us, let us realize that brotherhood begets peace, that reason begets peace, that strength begets peace. Let us fight for peace, but not seek that wider war that brings us to the edge of chaos.

Let us have peace. Let us think of peace and talk of peace. Let us, as the most powerful country on earth, declare peace against the world.

Peace on this planet, however desirable, would be futile indeed if none of us were here to enjoy it.

Clashes and rubble, drifting gases and the low life of lizards would have a long wait before "intelligent" creatures like man this way again.

A father whose son is scheduled for military service faces up to it and is proud his son will do his part—but he is happy by the way.

Put Farm Leases in Writing

(A public service of the Tri-City and Illinois Bar Associations.)

A surprising amount of farm land in Illinois is rented on the basis of oral agreements—but such agreements have many shortcomings.

Oral agreements frequently fail to cover many of the conditions that can arise during the period of the contract. And terms of the agreement often are recalled differently by the parties involved.

This does not mean that an oral agreement between landlord and tenant is not enforceable in court. It may be, if an impartial third party testifies as to the provisions of the contract. Or, if a pattern of behavior of both parties under the contract was established, this may make the agreement enforceable.

However, a verbal lease for a term over one year is not enforceable in Illinois courts. Some of the most common areas of disagreement arising from oral contracts concern payment for taxes, fertilizers, machinery repairs, and other operating expenses.

Granite City Budget, Levy Disparity Should Be Studied

Passage of a municipal budget totaling a half-million dollars more than anticipated income means that Granite City is faced with three basic alternatives:

1. Adherence to spending levels approximating those of the tax levies, leaving many budgeted and needed projects unaccomplished.

2. Unsound use of the bulk of existing cash reserves, getting Granite City's reputation as "champagne tax" without altering their "beer money" revenue. The hangover would show up about one year from now.

3. Expansion of financial resources, such as adjustment of tax rates that have been lowered abruptly by legal rulings, and increases in fees revenues. Venice has scheduled such a rate election for August 30.

The third choice might be the best. In any case, the possibility is worthy of detailed study.

Let's Show Thanks for State Jamboree Being Held Here by Attending It

The expanding role of the Quad-City community as a frequent host to regional, state and national activities will be further bolstered this week when Granite City Jaycees and the Illinois Youth Commission conduct the 1966 State Junior Sports Jamboree.

Many hundreds of youths from all sections of the state will be in the Quad-Cities from Thursday through Saturday and dignitaries coming here for the occasion will include Gov. Otto Kerner, who will award championship trophies at the conclusion of the sports competition.

Such events are welcome not only for their economic impact but also for their recognition of this community's interest in a variety of programs and its ability to contribute to their success.

The best way Quad-Cityans can express their thanks to the Jaycees, the Youth Commission and the young contestants is to turn out in large numbers to witness and applaud the 10-through-15-year-olds in their dashes, leaps, runs and throws.

Field events are scheduled for 1 p.m. to 4 p.m. Friday, and track events from 6 p.m. to 9 p.m. Friday and 9 a.m. to 11:30 a.m. Saturday, with the awards ceremony from 1 p.m. to 3 p.m. Saturday. The Granite City high school track and team will be the location. We'll see you there.

St. Louis Earning More From Debt-Free Bridge Than Other Area Cities Combined

As the Press-Record noted here this spring, the practice of Illinois cities profiting from bridge tolls is not unique. A bridge of considerable size and wealth, MacArthur, is owned by the city of St. Louis.

The subject arises again due to the action

An Illinois Air Purity Viewpoint

Air Plan 'Smokescreen' For Missouri's Delay

(Third of six Tri-Cities Manufacturers Association articles urging development of an effective interstate compact air purity organization representing the states of Illinois and Missouri.)

St. Clair and Madison counties. The Granite City ordinance, which we are most concerned, is not only an exact duplicate of the Illinois State Air Pollution Control Law, with additional provisions for emissions limitations on the heavy metal industries which are dominant in economic life in fact, the reverse is true.

Illinois adopted an air pollution control law in 1963, the same year that the Federal Clean Air Act was passed. Illinois has had a functioning professional air pollution control law since the adoption of that law.

The Illinois Board has already issued rules on open burning and taken legal action to halt such activities on the dumps south of Madison.

As an aside, it is interesting to note from the Interstate Study that roughly 75% of the refuse which had been burned in Madison and St. Clair counties had its origin in St. Louis.

The Illinois Board is preparing rules and regulations in all other categories of air pollution control and will soon announce specific emissions limits for all types of manufacturing operations.

The Illinois Board has established a regional office and assigned engineering personnel to coordinate pure air programs in

being taken by Missouri officials and judges against the city of Madison, which has continued collecting tolls following the expiration of its 25-year bond issue in 1964.

A temporary injunction against further toll collection has been issued, with a receiver appointed to hold revenue until the suit has been decided. An effort is even being made to assess the city's bond issue before the debt was retired; the \$7 million being sought supposedly would go to all those who have paid to cross the bridge since 1939.

A check with City Auditor Stark of St. Louis shows that MacArthur Bridge has no bond debt and has been providing an estimated \$1 1/2 million a year for the St. Louis city treasury. This is much more than all other area cities combined are netting from bridges.

The one-time "Free Bridge" instituted tolls to meet relief costs during the depression years. The collections are still being made on the theory that St. Louis, which provides certain services for a metropolitan area three times the size of its city population, needs to obtain operating funds from "every nook and cranny" available, the auditor explained to the Press-Record.

Precise wording of the federal laws permitting municipal bridge operations varies somewhat for Madison, Venice, East St. Louis and St. Louis. St. Louis attorneys may feel that certain services in their favor not enjoyed by Madison, which additionally finds itself in the awkward position of having its toll building situated on the Missouri side of the bridge.

But the principle being espoused by some Missourians comes through rather clearly, despite any technicalities. They are against over an Illinois city charging motorists to use a debt-free bridge, but see absolutely nothing wrong in a Missouri city doing the same thing.

Is Granite City Annexation of School Being Opposed by Township or Village?

The plan of Nameoki Township Supervisor Briggs to attempt to block annexation of the Grigsby Junior high school campus raises a question. His proposed move is to transfer the campus to Granite City from taking "the cream of the crop of Nameoki land and leaving us with the dregs"; he also voiced concern over possible loss of territory along Route 262.

The question is: Is he speaking primarily on behalf of Nameoki township, or the village of Pontoon Beach, or other parties? It is a pertinent question because it would be drying aspects of the situation, depending on who would be the ultimate beneficiary of the suit.

If his concern is primarily for Nameoki township, the supervisor seems to be saying that he hopes to see a large unincorporated area remain so perpetually.

To avoid losing the base of power and influence which he now occupies, he would seek to deprive the school campus and other property of municipal services. Even he would admit, we are sure, that under Illinois law a township could never hope to fulfill the role of a village; it is simply a different breed of government.

If his concern is primarily for his friends in the officialdom of Pontoon Beach, he should say so. If he is not clear that it would be clear that the village, despite an inadequate tax base, can and should seal off Granite City and claim a territory along Route 262.

Could afford to provide the services that would be needed deserves advance exploration if this is the goal.

In view of its current militance, it seems strange that Nameoki township did not oppose municipal annexation of the non-contiguous Madison high school campus to Madison a few years ago.

Courtesy is like the air on the inside of a tire; there may be nothing to it, but it eases many a jolt and smooths out many a journey.

Control problems are currently involved in engineering analysis, stack testing, etc., for the development of an air pollution control "programs."

Millions Expended Several million dollars have already been expended in the East Side Area in the last year or so for industrial air pollution control equipment, and many millions more will be required to construct the air pollution control devices now being evaluated by the engineering departments of our local industries.

In the face of all this activity in air pollution control in Illinois and on the East Side, what has Missouri accomplished in comparison?

The Missouri Air Conservation Law was not enacted until 1965 and only in that instance with substantial support from the St. Louis-East Side Industrial Waste Council.

Although Missouri has just recently appointed an Air Conservation Control Board, it is neither functioning nor is it technically capable.

No new standards have been adopted by the state of Missouri for air pollution control, and the standards currently existing in the city of St. Louis are the only ones in the state.

The waste reports of these plant inspections have been submitted to the Granite City Air Pollution Control Board and will be reviewed by the Illinois Air Pollution Control Board in the near future.

Baldness 'Reflects' Longer Lives

(American Association for the Advancement of Science)

No one can be sure why some men become bald, at least not to the extent of correcting it. But biologist Betty Glass of Stony Brook, suggests in "Settle how baldness may have come about."

"Wearing clothing (in the form of skin) and later using fire to warm himself. Thus he changed his environment sufficiently to make hairiness an inconsequence of nature, except on the more exposed parts of his anatomy."

"It is highly significant, that support to this theory, that head hair, so clearly a protection from sun, wind and rain, has been retained."

"I would go so far as to propose seriously that baldness, like myopia, is largely a genetic trait, that has only become widespread and common in human populations since man became relatively civilized. Keen vision and a good head of hair are no longer important to survival."

"In fact, baldness is still limited almost entirely to males who have passed the age at which most males, in primitive times, would have died of various causes. Thus the apparent extension of baldness — as is largely a matter of the extension of the life span."

News From The Quad-Cities
GRANITE CITY PRESS-RECORD

AUGUST 1, 1916
The slight rainfall yesterday afternoon brought much-needed relief from the exceedingly hot weather this vicinity has been experiencing for some weeks past.

Four deaths and one person prostrated from the heat wave which has been reported in Madison county. Eleven heat victims are reported from St. Louis up to yesterday afternoon, when the cooling rainstorm brought relief.

At a session of the city council of Venice, an ordinance was passed for the stopping of street cars in that city at the near-side crossings instead of on the opposite side. This system is the American Car & Foundry Co. in force in St. Louis and nearby cities. The latter company has a plant in Granite City.

Two young men of Edwardsville, Frank Goff and F. Schmidt, while on a swimming trip, discovered a bundle of mail mailed which had been thrown beneath the Terminal viaduct about a mile and a half from that city. The letters were nearly all addressed to residents of Granite City, and the mail sack from the American Car & Foundry Co. appeared July 16.

According to dispatches from New York, contracts aggregating \$6 million have been placed within the last few days with American manufacturers by the American Locomotive Co., the American Car & Foundry Co. and the American Steel Foundries received the bulk of the orders. The latter company has a plant in Granite City.

"MUGWUMP" POLITICS

I am somewhat surprised that "mugwump" is a term which is rarely used by our Democrats. Most of our Democrats, Republicans and also independents do not admire the extremely flexible and unprincipled expedients of the species known as the "mugwump."

Optimists Bid Farewell To Lt. Col. Armstrong

The Granite City Optimists Club met Thursday at noon for lunch at the local YMCA, with president Wilbur Trickett presiding over the 22 members present. Club member Harold Fischer expressed the club's farewell to Lt. Col. Robert Armstrong, who will be missed by the club and the community as a whole. Lt. Col. Armstrong, a local commander at the Granite City Army Depot, will be leaving this week for Japan where he has been transferred by the U. S. Army.

Program chairman Frank Rea introduced the speaker for the meeting, Leo Konzen, a local attorney representing the Tri-City Bar Association. His speech, entitled "Idle Thoughts of a Lawyer," explained the role of the court system in the lives of American citizens.

He said that the role of the courts today surpasses that of the legislative or law-making branch, because recent supreme court decisions have made it more difficult to try legal cases. In particular he pointed out two specific instances:

"There can be no interrogation of alleged criminals without the actual presence of a lawyer, and individuals are now permitted to sue governmental units for negligence, making them liable to damage."

K. C. Dinner Dance To Honor New Deputy
Steve Salich of Granite City, new district deputy of the Knights of Columbus, will be honored at a dinner-dance to be held at Tri-City Council 1088 at 7 p.m. Sept. 24.

Plans for the event were discussed at a council meeting Thursday night. A program is being arranged. M. E. Bartosiek was appointed chairman of the dinner program by John Kazian, grand knight.

Council officers elected in June will be installed in ceremonies by the new district deputy at the Aug. 11 meeting. It was announced that the first degree of the order will be conferred upon new members before mid-September, and members were urged to have current outstanding application forms returned for processing.

The council voted to provide financial support to the Catholic literature booth at the Illinois State Fair this month.

The grand knight named Leo Portelli as youth chairman, Robert McCormick as moral decency chairman and Norman Alexander as blood bank chairman to complete committee appointments for the year.

It was announced that a joint district meeting will be held Aug. 10 at Wood River.

Children Raise \$10 For Muscular Dystrophy
A carnival, the proceeds from which will go to the Muscular Dystrophy drive, was given at 244 Dewey avenue, Friday by three girls, Janet Stojkovic, Linda Pitcher and Kathy Soehlig, who raised the sum of \$10 in contributions from neighborhood residents.

Many of the children took part with games and contributed various sums, and refreshments were served by the children.

Madison County Public Aid \$1.8 Million in 5 Months

Illinois Public Aid payments to Madison county residents during the first five months of the current year amounted to \$380,276, according to a report by Harold D. Swank, director of the State Department of Public Aid. Payments were made to 6513 recipients during May.

The total payment was a drop of \$24,115 below the April total of \$404,391 paid to 6814 clients, but increased to \$1,855,002 the aggregate amount of public aid of all types paid to Madison county recipients during the first five months of the current year.

May payments included \$184,754 to 4307 recipients for Aid to Dependent Children, a drop of \$15,761 from the April payment of \$200,515 to 4345 clients. Old Age Assistance payments amounted to \$115,182 for 595 recipients, a drop of \$3542 below April's \$118,722 for 588 recipients.

Blind pension payments totaling \$6329 were made in May to 11 persons, compared to the April payment of \$4850 to 42 persons. Disability payments for May amounted to \$80,877, paid to 214 persons. In April, \$53,886 was paid to 500 persons for disability compensation. General assistance payments of \$22,934 were made to 656 persons, compared to April payments totaling \$20,318 for 759 persons.

Total public aid payments made by the state for all five months of the year, through May 31, includes \$497,667 in old age assistance, \$855,520 in Aid to Dependent Children, \$22,940 in blind pensions, \$225,263 in disability payments and \$133,642 for general assistance.

Largest total payment for any single month of the year was made in April—an aggregate of \$404,391, paid to 6814 clients. Statistics show that the April sum was paid to 181 less persons than the 6785 recipients receiving \$385,192 during March.

During February a total of \$342,906—the smallest monthly payment during the five-month period—was paid to 6991 persons, or 377 more persons than received the largest payment of \$404,391 in April.

For the state as a whole, the rolls of Aid to Dependent Children and General Assistance recipients decreased, while there was an increase in Old Age Assistance and Disability Assistance clients. Swank said an over-

all decrease of 3749 cut the state caseload down to 308,458 for May, compared to 403,187 recipients in April. The figure also was a reduction of 21,161 below the May, 1965, total of 429,619.

State public aid expenditures in May totaled \$26,022,631, compared to \$25,466,028 in April. Total expenditures for the same month a year ago were \$24,617,624.

Pvt. Lawrence Papa Assigned in Germany
Army Pvt. Lawrence J. Papa, 25, son of Mrs. Helen M. Papa, 905 Lee avenue, Madison, was assigned to the 3rd Infantry Division near Würzburg, Germany.

Papa, a finance specialist, was assigned to the 3rd Infantry Division's 3rd Administration Company, entered the Army in January of this year, received basic training at Fort Leonard Wood, Mo. and was last stationed at Fort Benjamin Harrison, Ind. He is a 1956 graduate of Madison high school and received a B.S.

Motorcade Planned for Governor's Day at Fair

Governor's Day will be observed Aug. 18 at the Illinois State Fair at Springfield, and plans are being formed for an annual motor caravan of Madison and St. Clair county residents.

Tentative arrangements are being made for a police escort and for parking on the fairgrounds. Motorists are to meet on the Livingston high school parking lot at about 8 a.m. when judging of decorated cars will be held.

Prizes of \$75, \$50 and \$25 will be awarded for the three best decorated autos, and entries may be made by individuals or organizations.

The two counties will co-sponsor a "hospitality room" at the St. Nicholas Hotel where refreshments will be served immediately following festivities at the fairgrounds. Chairmen of the event are Walter "Buck" Simmons for Madison county and Maurice Joseph for St. Clair county.

Col. Schweizer Ends Duties at Army Depot

Col. Charles S. Schweizer, commander of the Granite City Army Depot, completed his official military duties Friday and began working in his new position at the Southern Illinois University-Southwestern campus.

His official retirement date is at the end of September. A successor has yet to be named, depot authorities said. In charge will be Lt. Col. George Thomson, deputy commander.

Col. Robert Armstrong, former deputy commander at the local installation, completed his duties here on Thursday. He is being assigned to Japan.

Motor Vehicles Increase 198,737 Over Last Year

Motor vehicle registration for the first half of 1966 in Illinois is 198,737 greater than at the same time a year ago, Secretary of State Paul Powell reported today.

Total registration at the end of June was 4,503,818. The dealer category was the only one which did not show an increase, he said.

The 1966 registrations, showing changes from 1965, were: Passenger cars, 3,701,068, up 118,631; trucks and buses, 529,912, up 27,772; trailers and semi-trailers, 236,571, up 31,156; motorcycle, 59,456, up 22,830; and dealers, 6803, down 1662.

MRS. LENNA WILLIAMS
1638 Sixth Street — TR 7-017

OUTING AT HARBOR
Mrs. Lorena Morris, Mrs. Mabel McGee, Mrs. Ruth Canner, Mrs. Bea Schaffner and Mrs. Elsie Canner, all of Venice, and Rose Ritz of Collinsville, and Mrs. Marge Purcell and Mrs. Lenna Williams, both of Madison, motored to West Alton, Mo., Wednesday evening.
Dinner was served at the Piasa Boat club, Harbor Point, prior to an evening of canasta and watching the boats. Mrs. Williams was the winner for the evening, with Mrs. Ritz placing second and Mrs. Elsie Canner third.

Other plans for get-togethers during the summer months were discussed.
Mrs. Cornelia Hommert, Mrs. Helen Cook, Mrs. Bonnie Robbins, Mrs. Ruth Roberts, Mrs. Nova Sanders, Mrs. Thelma Fogle, Mrs. Belle Clemens, Mrs. Minnie Martin and Mrs. Amanda Hill, members of the Ladies Quilting Society of the First Methodist Church, met Thursday at the church for a day of quilting.

The group adjourned to the basement of the church for lunch, and Mrs. Fogle gave the weekly devotional. Quilting was resumed after the noon hour.

CANASTA CLUB MEETS
Mrs. Annie Laura Platt was hostess to the Canasta club in her home, 132 Hillcrest drive, Edwardsville, Wednesday evening.
Canasta was played, with Mrs. Platt, Mrs. DeLoe, Mrs. Rhoads, Mrs. Mattie Bosworth, Mrs. Rae Miller, Mrs. Sally Bosworth, Mrs. Bernice Gushoff and two substitute players, Mrs. Catherine Hauskins and Miss Mary Eliza Beth Platt.

Lunch was served by the hostess after the game period and awarding of prizes. Mrs. Sally Bosworth will be the August hostess.

Mrs. Billie Bosworth, one of the club members, is a patient in St. Elizabeth Hospital. It was noted.

MRS. BARIHAM ENTERTAINS CLUB
Mrs. June Barham was hostess to the Jokers Canasta club in her home, 1833 Edwardsville road, Thursday evening. Games were played upon arrival of the members, with Mrs. Barham and Mrs. Lucille Broyles excoaling at one table and Mrs. Edith Gentry and Mrs. Lenna Williams at the second table.

Others playing were Mrs. Dorothy Smith, Mrs. Mary Adams, Mrs. Mary Allen and Mrs. Elvera Stagner. Mrs. Gentry received a gift from her secret pal.

The hostess served lunch at a late hour, with each member discussing her vacation. Mrs. Barham was assisted by her daughter, Mrs. Nola Barham.

THIRD BIRTHDAY
The third birthday of Cheryl Louise Kostitzky was celebrated Wednesday at her home in Junction City, Kan. A ballerina cake and refreshments were served by her mother, Mrs. Harold Kostitzky, and gifts were presented.

Her grandparents are Mrs. Louise Gunn, 1434 Seventh street, Madison, and Mr. and Mrs. George Kostitzky, Escanaba, Mich. The Kostitzkys have returned from a two-year tour of duty in Mannheim, Germany, and he is now stationed at Fort Riley, Kan.

While in Germany, they visited points of interest in Austria, France, Germany and the Bavarian Alps.

another car that earlier had
passed his auto.
Construction Worker
A construction carpenter with
the Meitz-Wilson-Foster firm,
working at Granite City Steel
Co., Mr. Howard was a member
of Carpenters' Local 633, the
Venice Baptist Church, American
and Venice-Madison American
Legion Post 307.

While in Venice, he resided in
that city 20 years and then lived
in Madison for eight years, mov-
ing to Granite City five years
ago.
Besides his son, of Granite
City, he is survived by his wife,
Anna, who is employed in the
Press-Record classified advertis-
ing department; two daughters,
Carol, 16, of Madison, and Susan,
six years old, of Granite City; a
twin brother, Earl Howard,
Granite City; three other broth-
ers, Robert and Ernest, both of
Granite City, and Russell How-
ard, East Alton; and four sis-
ters, Mrs. Collie May, Morris
Mills, Mo., Mrs. Margie Blake,
Gardena, Calif., and twins, Mrs.
Jessie Geppert, Collinsville, and
Mrs. Tessie Ellet, Caseyville.

Maryville Crossing Mishap
A southbound auto, driven by
Robert Pope, 28, of 27 Kanaburg
Park, was struck by a westbound
freight train and knocked into
another about 6:30 p.m. yester-
day at the dangerous Maryville
road crossing. Pope and a pas-
senger in the other car were
hurt.

The crossing was subject of an
Illinois Commerce Commission
hearing earlier this year follow-
ing an auto-passenger train crash
in February in which a Granite
City mother and daughter were
killed.

Pope was crossing the tracks
when his auto was "pushed" by
a four-diesel unit New York Cen-
tral train into an auto driven by
Miss Donna Wall, 20, of Route
One, who was stopped on the
opposite side of the crossing for
the train.

Pope was admitted to St. Eliza-
beth Hospital with abrasions to
his left shoulder and head. Miss
Wall's two-year-old brother,
Richard, suffered a minor injury.

8 Hurt In Crash
Eight persons were injured yester-
day 6:30 p.m. when cars, driven
by Wayne Rodgers, 23, of
Bend, and Richard Mushli, 22,
of Belleville, collided on Route
157, 200 yards north of Interstate
going south onto the highway from
a side road and was hit by the
other auto in the right front.

Mrs. Gulema Rodgers, mother
of the first driver, and Christine,
21-year-old sister, were among
two of the passengers who were
injured. They were taken to St.
Elizabeth Hospital and admitted
for observation. Rodgers and his
two brothers, 18-month-old James
and 13-month-old Andrew, were
treated for minor injuries.

Two passengers in the car
driven by Mushli also were ad-
mitted to the hospital. His sis-
ter, Janet, 20, was x-rayed and
kept under observation, while
Cheryl Burke of East St. Louis,
19, was admitted with a cut to
her left upper eyelid. Richard
McClair, 22, also of East St.
Louis, was treated for a minor
injury.

Two Girls Injured

Two girls were injured when
autos driven by Nancy M. Jetteff,
16, of 2171 Northland drive,
Mitchell, and Vene J. Lisac,
1600 Amos avenue, collided at
7:15 p.m. Friday at Nameoki
road and Hill avenue.

Miss Jetteff and a passenger in
her auto, Valerie Pashea, 2200
East street, were taken to St.
Elizabeth Hospital.

Miss Jetteff suffered pains in
the left rib carriage and was
treated for an abrasion to the
right knee. The Pashea girl re-
ceived x-rays. Both were re-
leased.

Lisac was charged with a
right-of-way violation and was
summoned for a hearing by
Aug. 12.

Boys In Fog Hit

Fog from an insect spraying
machine blocked the view of
Larry V. Graham, Collinsville,
causing his auto to strike Rich-
ard Wachter and Bill J. Schneid-
ewinde, both eight, of Collins-
ville, at 9:20 p.m. Friday at
State Park Place, about 300 feet
north of Business Route 40.
The Wachter boy was taken to
St. Joseph's Hospital, Highland,
and the Schneidewinde boy was

taken to St. Mary's Hospital,
East St. Louis.

Two persons were injured in
Madison at 11:40 p.m. Thursday
in a collision at Third street and
Washington avenue. Police re-
ported the accident involved cars
driven by Alvin Wright, 28, of
Collinsville, and David L. Walk-
er, 1312 Twenty-fifth street.
Wright was treated at St. Eliza-
beth Hospital for cuts about the
head and released.

Walker also received cuts
about the head, but was not
treated, according to police.
Walker's car, headed north
Washington avenue at the time of
the crash, was knocked into the
yard of Harold Ballentine, 1601
Third street, damaging a section
of chain-link fence. Damage to
the fence was estimated at \$250.
Wright was driving east on Third
street at the time of the mishap.

Two Youths Injured

Alvin Evanoff, 16, of Rural
Route One, driver, and Larry
Dowdy, 15, of 2805 Kirkpatrick
avenue, a passenger, were in-
jured when their car skidded 37
feet and struck an object near
the 25th street railroad crossing.
The auto stopped 74 feet from
the point of impact onto some
tracks. Evanoff was charged
with careless driving and was
summoned for a hearing by Aug.
12.

Two Persons Hurt

Clarence E. Boyles, 40, and
Grace Boyles, 30, both of 30
Lakeview drive, complained of
pains after their auto was struck
from behind by another driven by
Jesse Barr, 23, Briarcliff, at 3:20
p.m. Thursday on Ponton road
near Nameoki road.
They were taken to St. Eliza-
beth Hospital, where he was
treated for pains and muscle
spasms in the neck and lower
back. She was treated for pains
in the left shoulder, neck and
back.
Boyles was slowing because of
storm water which had flooded
the street. Barr was arrested
on charges of leaving the scene
of an accident, driving while his
license was suspended and care-
less driving. He was summoned
for a hearing by Aug. 12.

Officer Arrests Nephew, Friend In Murder Case

Patrolman Ralph "Dewey"
Brawley encountered his most
difficult test in 14 years on the
Venice police department at
12:30 p.m. Saturday and met it
head-on, arresting his nephew
and the nephew's companion for
questioning in a fatal stabbing.
Kenneth Brawley, 19, of 2022
Lindell blvd., and Larry A.
Baker, 22, Searcy, Ark., sailors
absent without leave from the
San Diego, Calif., Navy base,
were released to U. S. Marshals
at 7:30 p.m. Saturday for return
to the west coast.
They had been reported absent
July 23, the day Edwin L.
Brewer, 35, a cab driver, was
found dead near San Diego. A
knife that police said was used
in the killing was found in the
nearby taxi. The man had been
dragged behind a garage.
Murder charges were filed
against them Friday in San
Diego.

Venice police, initially unaware
of the youths' identity, saw them
at the North Venice area shortly
after noon Saturday and noticed
that they had dirty, torn cloth-
ing later found to have resulted
from rides in railroad freight
cars. They were taken to the
police station for questioning.
During the investigation, Ken-
neth Brawley was allowed to
telephone his mother.

The mother asked to speak to
Officer Brawley and told his two
were wanted by federal au-
thorities. Concluding that "it's
my job and my duty," the police-
man advised them that they
would be placed in custody.

Rink Bonds
\$204 municipal retirement fund
provided in last year's appropria-
tion.
The board fixed an appropriation
of \$125,343 for operation of
rinks, compared to \$90,375 last
year. For concession stand op-
eration, the budget was in-
creased to \$25,368 from last
year's \$19,100.

Cost of operating the swim-
ming pool is fixed at \$17,447 in
the new appropriation, up slight-
ly over last year's \$16,622.

The \$13,165 listed for operating
the district's swimming rink
includes \$1020 for wages of a
rink manager.

In their recreation program
budget, park commissioners re-
quested an appropriation of \$23-
100 for neighborhood play-
grounds, compared to \$24,000
last year; \$10,400 for Wilson
Park playgrounds, compared to
\$11,675 last year, and \$15,600 for

Sorority Chapter Installs Officers

Officers for 1966-67 were installed by the Eta chapter of the Phi Tau Omega sorority at a dinner Thursday evening at the Mayfair-Lennox Inn, St. Louis county. A Parisian artist theme prevailed.

Those installed were: Mrs. Charlene Voss, president; Mrs. Lois Winter, vice-president; Mrs. Lois Hodge, recording secretary; Mrs. Harriet Horn, treasurer; Mrs. Lorraine Butler, social secretary; Miss Eunice Hatcher, associate scribe; Mrs. Dolores Siebert, historian; and Mrs. Frances Hartman, sergeant-at-arms.

The installation was conducted by the retiring president, Mrs. Valeta Bauder. She was presented with a gift from the sorority.

Palettes complete with brushes served as programs, with names of the new officers shown in various colors.

Place cards were in the form of easels, and the tables decorations included larger easels containing paintings. Parisian food was served.

The arrangements committee was composed of Miss Hatcher, Miss Delores Sheridan and Messrs. Bauder, Hodge, Butler and Horn. Twenty-three members and a guest, Mrs. Florence Margeson, attended.

Prizes were awarded to Messdames Mary Evalyne Yenchio, Ethel Zimmer, Laveada Knobbe and Mary Hassler.

Glamor an Added Attraction For Junior Sports Jamboree

A touch of glamor will be added to the state finals of the Illinois Junior Sports Jamboree held this week by the appearance of "Miss Granite City" and her court at all official ceremonies.

Miss Lois Huebskamp, 18-year-old department store model, who represented Granite City at the "Miss Illinois" pageant at Quincy last week, will reign over the Jamboree for the entire three days.

With her two runners-up, John Strotheide and Lynn Ann Boswell, she will be on hand to greet the 574 youngsters as they arrive at Coedige junior high school Thursday evening, and will attend the outdoor dance and get-acquainted party planned for the contestants by the Granite City Jaycees.

Friday morning the attractive trio will ride in open convertibles in the parade, along with state and local dignitaries, and will then take part in the opening Southwestern Campus.

Miss Huebskamp was graduated from Granite City High School in June, and will attend Southern Illinois University in the fall. Miss Strotheide, also a June graduate of the high school, plans to attend either SIU or the University of Illinois at Champaign, and Miss Boswell will be a sophomore next year at SIU.

'Door Open' to Children at Depot Pool; Meet Today

"The door is open" to use of the Granite City Army Depot swimming pool by underprivileged St. Louis and Illinois children, Lt. Col. George B. Thompson, deputy commander and J. Press-Record Saturday.

He is attending a clarifying meeting at 2 p.m. today at the office of the St. Louis Human Development Corporation, whose officials walked out of a Depot meeting Friday at which pool usage 20% of the time was offered.

Donald Bourgeois, deputy manager, demanded 41%.

Col. Thompson said the pool is available for a 47-child busload at 10 a.m. and another at 11:30 a.m. daily. The 90-minute program would include a swim and visits to various Depot facilities.

The Defense Department has authorized him to cooperate with the Office of Economic Opportunity despite the fact that the 5600-yard pool was built without federal funds. Its capacity is 160 persons in the pool area including about 120 in the water at any one time. It is open from 10 a.m. to 8 p.m. seven days a week.

The pool was built by the civilian personnel of the Army base who have purchased 1498 patches granting pool privileges this year, and more than 500 residents will be added to this number in August, with each of the patches costing more than 2000 per month.

A plan announced last week called for St. Louis youngsters to be brought here by Project Outreach, operated in cooperation with the St. Louis YMCA.

When the disagreement over the extent of the program developed, Bourgeois said a busload of children would attempt to enter the Depot this morning to test what he said is a ban on pool use. Depot officials said no such buses appeared today.

Woman Believed Beaten

If interested, it is suggested you write, HEARING, Box 154, Harrison, Mo., you will receive full information at no cost or obligation whatsoever.

Business Teachers Meeting, SIU-SW On Wednesday

The business education faculty at Southern Illinois University, Southwestern Campus is sponsoring its first annual Business Teachers Summer Conference on Wednesday in the auditorium of the university's Lovejoy Memorial Library.

Dr. G. Haines, chairman of business and distributive teacher education at Michigan State University, will speak at 9:30 a.m. on "Current Challenges in General Business." At the 1 p.m. session, T. James Crawford, Indiana University professor, will discuss "Current Challenges in Typewriting."

Haines has written numerous books and articles on business education and is co-author of "General Business," used as a textbook in high schools throughout the country.

Crawford, a University of Pittsburgh Ph.D., is the only person ever to receive twice the research award given annually by Delta Pi Epsilon, business education graduate fraternity. He is author of several books and articles on typewriting and shorthand and co-author of "20th Century Typewriting."

Area business teachers are invited to attend the conference, which will begin at 8:30 a.m. and continue until 5:15 p.m. Exhibits from equipment and book companies will be on display throughout the day, according to the conference chairman, Elsie Palmer, assistant professor in the SIU-SW Campus Business Division. Registration information and luncheon reservations may be secured by telephoning her at 692-2722.

Pollution Devices Urged on New Cars

A resolution urging all automobile manufacturers to equip all new-model cars sold in Illinois in 1967 with emission control devices was approved by the Illinois State Air Pollution Control Board, meeting at Montsanto last week.

Such a device would eliminate some of the air pollution caused by emission of deleterious elements in exhaust fumes.

The board also received formal complaints against five auto salvage dealers and dump operators in violation of air pollution regulations.

Five Quad-City area auto salvage dealers and dump operators have been named in formal complaints by the Illinois State Air Pollution Control Board charging air pollution violations. The complaints were approved in a meeting of the board at Montsanto last week.

Those charged are Emmett Mosby of Madison, of Emmett Mosby Auto Salvage; Bill Paul, of Paul's Auto Salvage; Selden Collins of Madison for Selden Collins Salvage; Steve Barzoff, for "B" Auto Salvage on Route 203; and Jerry Davis, Granite City, for West Side Salvage.

The complaints were among 18 presented to the state board by Clarence W. Klassen, technical secretary, who is to hear charging dates.

3 Cars, Truck Damaged In Madison Accident

An accident involving three autos and a parked truck caused damage to all four vehicles at 14th street and Madison avenue in Madison, at 4:40 p.m. Thursday.

Police reported the three autos, driven by Wilbert H. Graftford, Rural Route One, Granite City; Steven J. Nemeth, 1038 Sycamore avenue, and Laura C. Rozyski, 1701 Elizabeth street, Madison, collided in the center of the intersection.

The collision knocked Graftford's car into the parked truck whose driver, Vernon A. Huber, Belleville, was making a delivery in a nearby building.

Graftford's car was damaged both in the front and the right front fender, Nemeth's car in the left front, the Rozyski car in the rear right side, and the truck in the left side.

How many electric motors in your home?

□ 5? □ 10? □ 15? □ 20?

You may be at a surprise when you count the electric motors in your home.

Five! There are more than that in your kitchen alone. Chances are you have fifteen or twenty motors serving you. The appliances they run represent a lot of money. So here's something you should know: Electric motors need a constant, dependable supply of electricity. Irregular electric voltage can reduce the life of appliances.

Electricity from Illinois Power is both dependable and low cost.

Illinois Power customers get steady, constant voltage. In this age of electricity, that's important.

There's a reason why Illinois Power electricity is more constant, more dependable than other sources. It's because Illinois Power has plenty of reserve capacity to meet any demand by any customer, any time.

This extra capacity was planned and built years ago, so we'd be ready to serve you better today. And at Illinois Power we're hard at work on tomorrow.

A FEW OF THE MOTORS YOU DEPEND ON

Group Six and Group Seven, ladies of Central Christian Church, held a joint meeting Thursday morning at the church.

Mrs. Dora Young, chairman of Group Six, opened the meeting with prayer, and a business session followed. A pot luck luncheon was served.

Mrs. Edith Shelton, chairman of Group Seven, gave the study, entitled "Let Us Now Praise Famous Men," in the afternoon session. Mrs. Margaret Schoenhardt presented the worship, and the meeting was closed with the CWP benediction.

Attending from Group Six were Mesdames Jane Latham, Ora Fletcher, Clara Schumacher, Ota Shelton, Amy Turnbull and Velma Asch. Present from Group Seven were Mesdames Margaret Roter, Sylvia Tapp, Myrtle Jacob and Myrtle Parrish, president of the Central Women's Fellowship.

Another combined meeting is planned for 11 a.m. to 2 p.m. Aug. 18 at the church.

ISABEL BEVIER UNIT INSTALLS MRS. CUVAR
Installation of officers for the coming year highlighted a monthly meeting of the Isabel Bevier unit, Madison County Homemakers Extension Association, Thursday evening in the home of Mrs. Irene Dawes, 17 Terrace lane.

Mrs. Norma Jean Ross, outgoing chairman, served as installing officer, and those taking office were Mrs. Helen Cuvur, chairman, Mrs. Lucille Lipe, secretary, Mrs. Angie Brown, first vice-chairman, Mrs. Lillian

Ruebhausen, second vice-chairman, Mrs. Velma Deane, citizenship, Mrs. Karen Richardson, hostess, chairman, Mrs. Margaret Todoroff, recreation chairman, Mrs. Myrtle Hickman, legislative, and Mrs. June Hubert, special activities.

Mrs. Cuvur conducted a business meeting, and a report was given by Mrs. Angie Brown. The major lesson by Mrs. June Hubert was "Choose Your Wood Furniture Wisely." The topic included information on different types of furniture styles, different kinds of woods, special finishes, furniture polishes, furniture refinishing and removal of old finishes.

The minor lesson on "Cabbage Salads" was given by Mrs. Ross. Following her demonstration of the recipe, the salads were served to all present.

Miss Karen Richardson gave the health lesson, "Epilepsy." She gave each member a pamphlet on the subject, to be used in further study of the illness at later meetings.

A new member, Mrs. Carol Lipe, was welcomed.

Mrs. Lillian Ruebhausen spoke on membership goals for the coming year and Mrs. Lillian Adams explained the "Penicillin for Friendship" program being conducted in Homemakers units. The money will be sent to the Farm Bureau office and used to promote "Country Women of America" groups, and to help educate foreign women who belong to the organization.

Those who were made to attend the Home Extension camp, 9 in Jacksonville, where craft sessions and swimming will be among the activities.

Mrs. Helen Cuvur invited the members and their families to attend a family picnic at her home, 9 Sherwin drive, Arlington Heights, 25, each family to bring a dish to share, and a covered dish.

On Sept. 29, an officers' training day will be held at the Farm Bureau building in Edwardsville for new officers.

Seven Arrested for Speeding in Madison

Seven motorists were arrested in Madison during the weekend on charges of speeding.

Officers said they attempted to arrest Thomas Warfield, 25, of Indianapolis, Ind., after he was clocked at 45 miles per hour on a 30-mph zone at 8:25 p.m. Saturday. Warfield refused to stop.

During the chase police said Warfield threw a can of beer out of the car. More beer was found in the car, police reported.

In addition to a speeding charge Warfield was named in a warrant charging possession of alcoholic liquor in an automobile and disobeying a police officer.

Other arrests on speeding charges resulting from use of radar include Jesse L. Moore, Tammis, Ill., on Third Street Saturday; Norma Lee Medford, 1820 Sprague avenue, on Third Street Saturday; and Fredrick L. Zenger, Akron, Ohio, at Third Street and Madison avenue, Saturday.

Madison police also booked David Lee Smith, 29, of East St. Louis, for state trespass who reported they arrested Smith on Route 200 at Bond road 10:30 p.m. Sunday. Smith was charged with driving without a driver's license. He posted \$100 cash bond for a hearing Aug. 10.

Three Divorce Decrees Granted Area Couples

Three divorce decrees were issued to area residents last week by Associate Circuit Judges Fred P. Schuman and Austin Lewis in the Madison County and Edwardsville divisions of circuit court. They were issued to:

Ellen F. Wimberly from Eugene County, Wis., they were married Dec. 22, 1938, in Madison, and separated May 17, 1957. The court granted custody of three children was granted to the mother, and the father was ordered to pay \$30 per week child support.

Betty L. Stinnett of Venice from Robert R. Stinnett. They were married Feb. 7, 1941, in St. Louis and separated in March 1952. Description was charged. Custody of one child was given to the mother.

Ray County of Granite City from Dorothy M. Yount of Arcadia, Calif. They were married April 19, 1957, and separated in August 1962. Description was charged. The court granted custody of the minor child custody and support of one child.

City, Bus System Sued By Woman for \$3000

The Bi-State Transit System and the city of Granite City were named as defendants in a \$3000 suit filed last week in circuit court for Elsie Unger of Granite City as the result of a mishap last Dec. 7 at a bus stop at 19th street and Edison avenue.

The complaint states that as she was attempting to board a bus, she fell on broken curbing and was injured.

She charged negligence on the part of the bus company for stopping at a hazardous place without warning to passengers, and on the part of the city for failing to maintain safe pedestrian conditions.

Threatens Policeman; Arrested on 2 Charges
William L. Dozier, 21, of 125 Lee Wright Homes, Venice, was arrested by Madison police on charges of threatening bodily harm and resisting arrest. Officers reported he became abusive to two police officers he met on the street.

As he walked across the street he shouted that he was going to kill one of the officers. When they attempted to arrest him he created a disturbance, Dozier put up a fight, police said, and force had to be used to subdue him. He refused to give information when booked at the police station.

Land Taken from Crop Production To Feed Herds

A meeting of the Madison-St. Clair counties Farm Disaster Committee will be held today in Vandilla to decide how a possible 18,500 acres of drought-affected farm land taken out of production will be used.

The meeting is a result of the U. S. Agriculture Department's release of the land. Sparse rain-fall has caused a lack of forage for livestock, and it is hoped the land released will help prevent liquidation of livestock herds in the two counties.

Lee Rodgers, office manager for the Agriculture Stabilization and Conservation Service and secretary of the two-county disaster board, said a farmer must make formal application at the county ASCS office prior to using any land he has taken out of production.

The meeting will give details as to what land was available and for what purposes it can be used.

The release was announced Friday by Gen. Melvin Patrick, who said haying and grazing privileges will be granted on land where the drought has affected the pasture and forage.

Mrs. Hulda Willaredt, 76, Dies; Ill 2 Years

Mrs. Hulda M. Willaredt, 76, of 2711 Iowa street, died at 3:45 a.m. Saturday at St. Elizabeth Hospital. She had been ill for two years, and was a patient at the hospital for two weeks.

Born in Madison county and a lifelong resident, Mrs. Willaredt was a member of St. John United Church of Christ and was a member of the Women's Afternoon Guild there. Her husband, John, died in 1933.

Surviving are a daughter, Mrs. Joseph (Ethel) Holtzsch, Granite City; a brother, Eckhardt Gerig, Granite City; a sister, Miss Amelia Gerig, St. Louis; and two grandchildren, Mrs. John (Sandra) Dawson, Collinsville, and Joseph Holtzsch, Granite City.

Services were held at 1:30 p.m. Friday at St. John's Church, with burial in St. John's Cemetery. An obituary notice is given elsewhere in this issue.

commitment this weekend related that "after due deliberation and upon the advice of my friends, I have decided to be a candidate for county treasurer at the special meeting, to be called on Aug. 15 by the central committee of the county."

"I feel that I will be serving the Democratic party and democratic principles of the party by giving the committee a choice of more than one person. This will give the Democrats a chance, and not just a select few."

"If I am chosen and elected in November, I will serve the people of Madison county as well or better, if possible, than in my previous four years as your county treasurer. I assure you I am qualified."

Limited Survey

EOC Study Shows Drop in Quad-City Median Income

A limited survey by 22 neighborhood workers of the Madison County Economic Opportunity Commission reveals that the annual median income in the Quad-City area now ranges from \$3268 to \$3705 per year and reflects a substantial drop below median incomes shown by the official 1960 census.

The survey was conducted in restricted areas of the Quad-Cities including the low-income housing projects.

Maurice Harris, executive director of the commission with offices in Edwardsville, said results of the survey indicates a story of extreme deprivation and hopelessness in which the anti-poverty program is given "the wonderful opportunity to convert 'tax-wasters' into 'tax payers'."

The director said this job "will not be easy and must be geared up to face a long and difficult struggle... the years of deepening dependency cannot and will not be eradicated overnight, but if the job is ever to be done a start must be made and the public must enlist for the duration."

Housing Deteriorates

The study notes that the deterioration of housing in Madison county has "continued apace" and that some remedial action must be taken by various com-

munities in the county. The 1960 census showed a total of 365 dilapidated housing units and 1793 deteriorating units. The study, however, shows the dilapidated units have risen to more than 600, almost a 100% increase, and deteriorating units increased to more than 2000.

In the Venice-Madison area made up of Kerr Island, North Venice, West Madison, Eagle Acres and part of Nanticoke township the survey showed the median income of 1426 families (3380 persons) interviewed was \$3268. The median years of school was 8.1 years.

This is a considerable drop below the 1960 census figures for the city of Venice which showed a median income of \$4485 and for the city of Madison which showed a median income of \$3784.

The commission pointed out that in the Granite City phase of the survey, the only non-white population in the city lives on the grounds of the Granite City Army Depot which was not surveyed. The commission did interview 749 families (2616 persons) in Kirkpatrick Homes and those living along Lincoln avenue, in the northern area toward Mitchell and in the trailer court north of Nameoki road. The study revealed a median income of \$3705 in this group.

The director noted that as of May this year 6888 persons in

INADEQUACY OF SEWERS in Granite City was evident once again—after a long dry spell—with flooding of Johnson road with nearly two feet of water in front of Frohardt school. The location is only a few hundred feet from the drainage ditch, which was filled nearly to its top following Thursday afternoon's 25-minute rain that measured .64 inch.

Want More Services

Harris said the survey for the county as a whole showed that the people interviewed feel the need of more health and services, teenage training and employment, additional job opportunities, day care services, basic adult literacy training, more recreational facilities, legal aid services and more social case work services.

These handouts, Harris said, are dehumanizing and help to build in dependency that is sowing the seeds of future regret. He said the situation destroys or prevents the establishment of a positive self image among the poor.

The director noted that as of May this year 6888 persons in

Madison county were recipients of some form of public aid at a cost of about \$350,000 per month, or an average of \$52 per person per month.

These handouts, Harris said, are dehumanizing and help to build in dependency that is sowing the seeds of future regret. He said the situation destroys or prevents the establishment of a positive self image among the poor.

The director noted that as of May this year 6888 persons in

Comdr. John Barron Remains in Hospital

John Barron, manager of the Tri-City Regional Port District, is reported "improving rapidly" from a slight stroke, but is expected to remain in the hospital for at least two more weeks, it was reported today.

Comdr. Barron has been a patient in Pike County Hospital at Louisiana, Mo., since July 13. His home is in Clarksville, Mo., 16 miles from Louisiana.

Pontoon Beach Lets Street Oiling Work

Contracts for liquid asphalt and crushed stone to improve Pontoon Beach streets were awarded by the village board in a regular meeting Thursday night. The work is expected to be completed by Friday.

Contract for 9850 gallons of liquid asphalt was awarded the Midwest Blacktop Road Co. at 17 cents per gallon, a total of \$1674. The same firm, which was the only bidder, was awarded the contract for 415 tons of crushed stone at \$4.95 per ton, a cost of \$2054.

Mayor Thomas Stalcoff said the village will have a balance of approximately \$7000 in its motor fuel tax fund after bills are paid for the street work, which is scheduled to be completed Friday. Engineering work for the project was done by the Illinois State Highway department at a savings of about \$400, Stalcoff said.

The board also authorized installation of a 20,000-lumen lamp at Cummins Park recently annexed by the village. Recent vandalism at the park resulted in the light request.

RC Cola Earnings Up

Royal Crown Cola Co. last week announced a first-half earnings increase of 18% to \$2,200,075 or 70 cents a share, and an all-time monthly sales record in June. The board elected Morgan J. Cramer of New York as vice-president of international operations.

Mitchell Driver Nabbed On 4 Traffic Charges

George Churovich, 39, of 508 East Chain of Rocks road, Mitchell, was arrested at 12:45 a.m. Friday on four traffic charges and was summoned for a hearing by Aug. 10.

He was charged with speeding 70 miles per hour on Nameoki road from Clark to Venice avenues, violating a stop sign at Nameoki and Pontoon roads, reckless driving at Nameoki and Mitchell avenues and attempting to elude and flee the police.
